ENABLE YOUR CUSTOMERS TO PURCHASE A RESILIENT TECHNOLOGY AND WORK REMOTELY WITHOUT THE EXPENSE

We recognize that the current uncertainty around COVID-19 continues to have an impact on our partners and customers. Being an organization that puts people first, we have the opportunity to be part of the solution. To support our partners in their efforts to solution architect a resilient network, VergX is providing this special promotion. We believe that SD-WAN is a complementary product (UCaaS, CCaaS, teleworkers, etc.) that ensures customers can operate in an effective, flexible, and resilient manner while working remotely. To help our partners continue to implement solutions that positively impact affected businesses we are offering new customers – closed through our partner channel – this Promotion to help.
