

CallTower's Teams

Direct Routing

at no cost

Promoting public safety and health by making it easier to work from home

Connect and Collaborate from Anywhere, at Any time with CallTower's Teams Direct Routing!

As many companies are already deciding to work remotely, collaboration is of utmost importance. **We are here to help!** CallTower can help your team with resources to prepare, deploy and manage a wide-scale rapid deployment of remote-work solutions.

Our 90-day free Teams Direct Routing will allow your company to gain access to the many applications and features which are not available directly from Microsoft. This move promotes public health safety by making it easier to work from home.
