

# Business Continuity Bundles

## Month-to-Month. No Long-term Commitment.

### Activated Quickly & Seamlessly.

As these uncertain times are requiring more and more employees to work from home, Nextiva's cloud communication solution ensures seamless business continuity and employee productivity.

Voted 2020's Top Business Phone Service by US News & World Report, Nextiva's month-to-month Business Continuity packages work alongside your existing premise-based system. Ensure business critical lines are backed up by an industry-leading Cloud Communications Solution.

## Pro-Plus Business Continuity Bundles

Custom Bundles Available - Contact your Channel Manager

# of Business Continuity Users	Monthly Cost	Contract Terms
1	\$21.95	Month to Month
5	\$109.75	Month to Month
10	\$219.50	Month to Month
15	\$329.25	Month to Month

*If you choose to convert your Business Continuity package to a 36-month agreement within 6 months, Nextiva will defer 2 of your first two payments under the new term.*

Nextiva turns each laptop or mobile phone into a remote office - providing each employee with a business phone number across all of their devices.
